THE SANDERS for stickers, and folded paper.

Congratulations, and Thank You to all that sent covers for the recent contest. As in the past, I asked my wife to do the judging for this club event. I waited a bit, and did this Tuesday February 4th. I'd set a date, published in the December, for receiving covers then mentioned in the January NL, there was still time to send covers. So I waited to see if anyone would send covers, and after two weeks, nothing came. Here's the results now, and congratulations to our top winner ACE 353 PHIL EDWARDS, his cover was in the rubber stamp category.
